Lol. It's always the ones you think will definitely plead that don't.

Thanks for the update, Rob. I think I will volunteer to do all the Federal cases from now on b/c they all seem to plead. If you need anything else in the future, let me know.

Thanks,  
Annie

Annie, just got the notice from the court that he's pleading on 12/8, so no trial next week. Thanks so much for following up with me.

Hi Rob,

Sorry to bother you. How are you? I hope all is well.

I am trying to get a status update on the above case that is scheduled for November 9th, 2009. Is this case still going forward or did he plead?

Thank you for your help.

Thanks,

Annie
